4	Treasurer's Report - Treasurer's Report (January 2020) presented by RV and discussed in detail. - Second hand uniform: no figure as sales have currently stopped. - Christmas Cards: orders down on last year. Will be re-branded next year as the cards can be for any occasion. - Expenditure for 2019 WAP, predominately listed in 2018 expenditure as the majority of purchases were made 11 months ahead of the event. - Lego Fundraising: a popular initiative and profit was up compared with Christmas Puddings! - Christmas Fayre: Takings £342.50 down, which reflects the feeling of lower attendance (647 visitors). Match Funding figures not available yet. Important to ensure match funding volunteers are allocated the most profitable stalls, as this can impact on the amount they can claim. - Carol Singing: organised privately by Catherine H – well attended and an enjoyable event. £75 donation given to the PTA. - Balance available for School Funding Partnership: £20,266.72	RV to report on Match Funding when available.
5	School Funding Partnership Contactless Card Machine – would be increasingly helpful to be able to accept card payments at PTA events. An izettel machine costs about £40, with a percentage of the payment taken by the company as operating costs (but reduced for charities). Purchase of machine approved: 19/2	RV to organise purchase of izettel

	- Outdoor Clock – TF proposed the purchase of a new, more attractive clock for the playground. ES advised that it would need to be radio-controlled, impact resistant and weather proof. TF to investigate, but funding of approximately £140 agreed in principle. 19/3 - RWInc: ES asked if any funding left over from 19/1 (the £10,000 allocated for RWInc resources) could be used to improve class libraries / provide newspaper subscriptions for the children. Agreed	TF to contact company for further details
